TEAM WILLIAMS
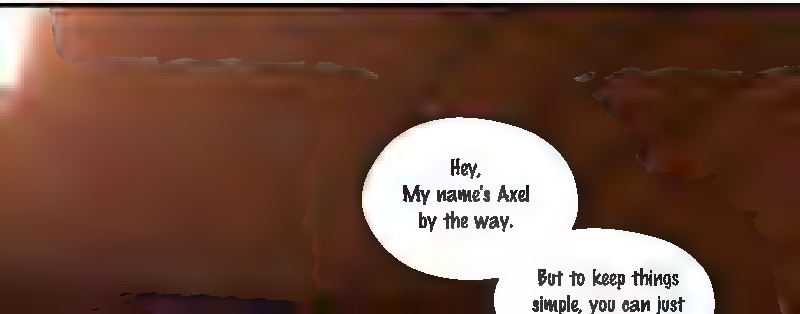
Sorry Ma'am but our rooms are already booked. There's only one left open. It is good for two, Ma'am.

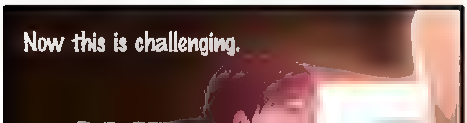
Okay. We'll take it.

How many nights will you be staying, Ma'am?
Six, please.



Hey, My name's Axel by the way.
But to keep things simple, you can just

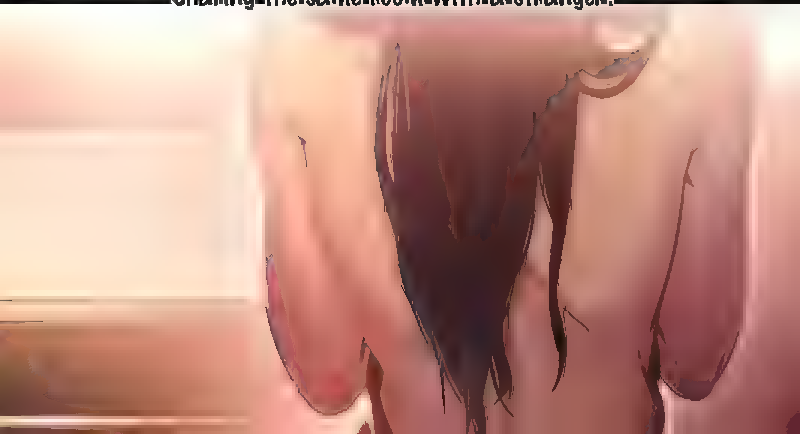
call me "Babe".
Keep your nonsense to yourself, will you!? So irritating!
And stop talking so casually to me.



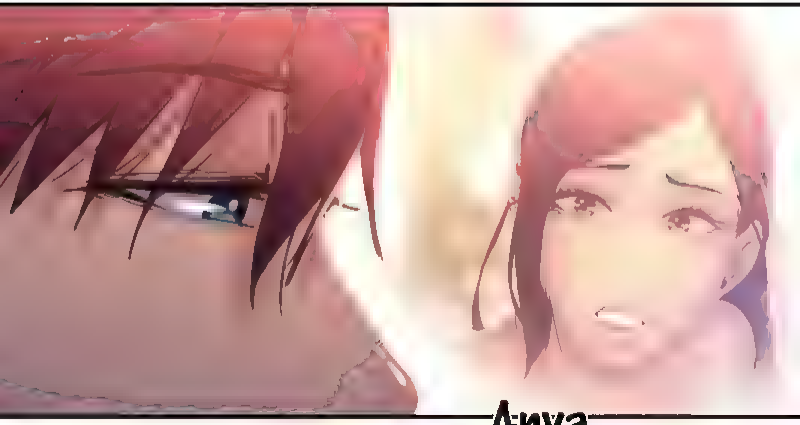
Now this is challenging.

She's the first one to reject me like this.

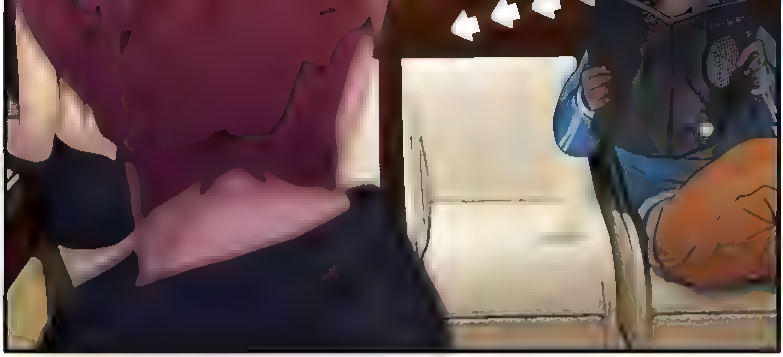
Is she doing this on purpose? Checking in the hotel like this? Sharing the same room with a stranger?

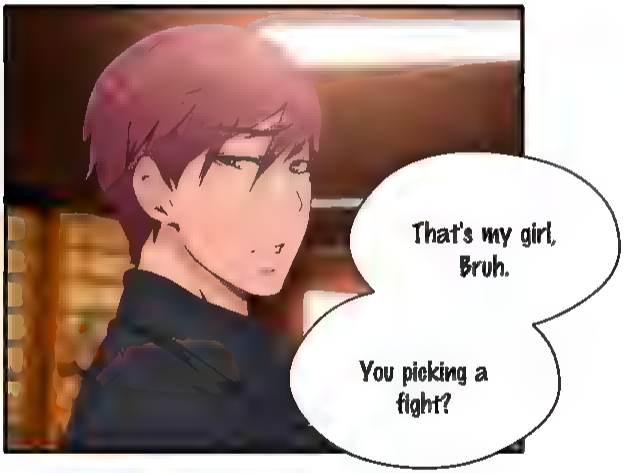


Unlike Anya, this one's a manipulative type of woman.
Unpredictable and wise. She must be up to something.

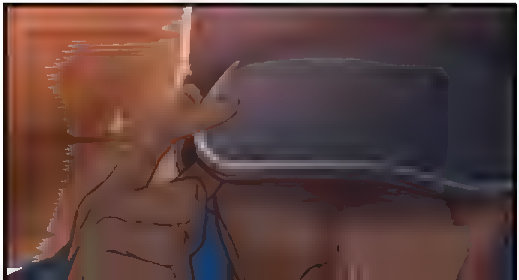


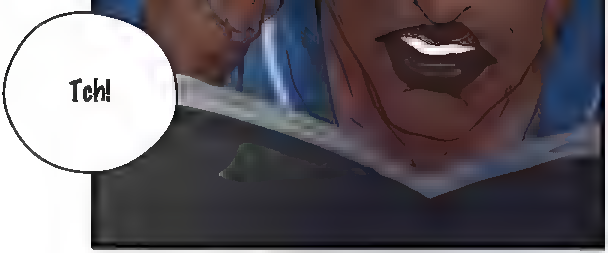
Focus my boy..
Keep your eyes on the road.
Leave the dead weights behind.
You don't need her.
She will hurt us, you don't want that to happen again, do you?
Yeah right..



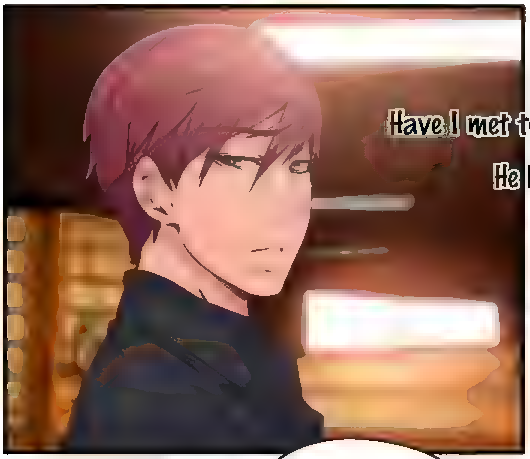


That's my girl, Bruh.
You picking a fight?

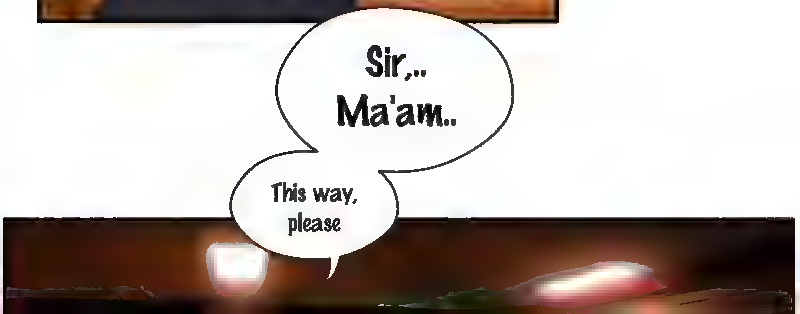




Tch!



Have I met this guy before?
He looks familiar.



Sir,..
